

TORRANCE TARTAR SOFTBALL

2008 CIF FINALISTS

& PIONEER LEAGUE CHAMPIONS

Hello,

My name is Don Glavich and I am the head coach of the Torrance High School softball program. I have asked each of our players to contact individuals or businesses that they believe would like to partner with us in supporting our athletes as they pursue their goal of competing for Pioneer League and CIF Championships. In 2008, our program captured the Pioneer League title and advanced to the CIF Division V Championship Game for the first time in school history.

Sponsorships help make it possible for us to provide the necessities that are required to run a quality high school softball program.

We are asking that you consider a sponsorship for Torrance High School Softball. We greatly appreciate your partnership and will add you name to our sponsor page on our web site and in this year's softball program that will be distributed at our home games.

Thank you for your support.
